Whistler Accommodation Description:

Welcome to my Whistler Alpenglow studio condo for rent by owner.

As a businessman from Vancouver and the condo owner, I've been involved one way or another in Whistler for many years. I have owned this Alpenglow vacation rental property since 2006.

Why Chose Whistler Alpenglow?

I think Whistler is an excellent Ski resort and I like having a place to stay there as I am from Vancouver, just a couple hours away.

The benefit of this location is its proximity to everything. The ski hills (8-10 minute walk to the Whistler and Blackcomb Gondolas), grocery stores, shopping, coffee shops, bars and restaurants are all within a few minutes walk. You do not need a car at Whistler Alpenglow studio. If you do bring a car, covered parking is available.
