Description:

Enjoy the magic of Whistler from our lovely, two-bedroom condominium. Relax by the fire and take in the view of the lake and mountains, have a glass of wine on our patio, or soothe your muscles in the hot tub after an epic day of skiing or hiking. Everything you need is either within walking distance or a short drive or bus ride away. Our condominium is situated on a bluff overlooking beautiful Alpha Lake and Rainbow Mountain. We get the best of all worlds since we are in a nice, quiet building surrounded by wildlife, yet just a short walk to the Creekside Village area featuring shops, restaurants, and, of course, world-famous skiing. In the summer, the bike trail is close and easy to access and the lakes and forests just beg to be explored. Our condominium features both ski and bike storage facilities, and convenient parking. In the master bedroom, we have a queen-size bed, and in the second bedroom we have a bunkbed with a double mattress on the bottom and a twin mattress on top. Everything is in excellent condition and ready for you to enjoy.
